Subject: INCLUSA REQUEST FOR PROPOSAL – PREFERRED PROVIDER SOLICITATION

Project Title: Personal Emergency Response System (PERS) – Landline and Cellular In-Home Units which will remain located in the members’ homes.

Project description: Inclusa, Inc., is seeking proposals to furnish Personal Emergency Response (PERS) system units to Inclusa members throughout a 52-county area of Wisconsin. For the purposes of this preferred provider solicitation, Inclusa is seeking bids for two types of units: Landline and Cellular In-Home units.

Inclusa intends to use the results of this process to award Preferred Provider Status to a designated vendor. In the Preferred Provider Purchasing Option, service recipients are given a choice of all qualified providers of services. This means that Inclusa may not limit the pool of qualified providers by offering an exclusive contract. The Preferred Provider designation resulting from this Preferred Provider Solicitation package will be acknowledged by Inclusa, Inc., through December 31, 2021.

All materials related to this Request for Proposal are posted on the Inclusa website at www.inclusa.org. Prospective bidders will access the materials by clicking on [Providers>Request for Proposals](#) from the home page. A link to the PERS RFP information will be found under the Current Opportunities section of that page.
