The Inclusa CRC is the provider agency’s main point of contact for member-specific or related questions, concerns, or information. • Health and Wellness Coordinator (HWC) – The Inclusa HWC is a nurse that has ongoing responsibility to assess and review how the member is doing clinically and educate the member on health-related issues. Inclusa HWCs do not provide direct care services, supervision of agency direct care staff, or supervisory visits of direct care workers for nurse-delegated tasks. Inclusa HWCs do not delegate tasks to personnel from any provider agency or self-directed support. | 4.0 | Units of Service and Reimbursement Guidelines |
| 4.1 | <p>Units of service will be made based on DAYS authorized in the RCAC. A DAY includes the day of admission, but not the day of discharge. Day of disenrollment of a Family Care member is not a paid service day. Disenrollment includes death, incarceration, loss of financial/functional eligibility, failure of member to pay cost share, move to an IMD, and/or move out of the MCO service area. Voluntary or otherwise determined by MCO.</p> |

| | |
|-----|--|
| 4.2 | <p>Security Deposits</p> <p>Inclusa is unable to reimburse for security deposits. If member is unable to afford a security deposit, RCAC is requested to waive the security deposit. If member paid a security deposit prior to enrollment in the MCO, provider may maintain security deposit in accordance with resident agreement.</p> |
| 4.3 | <p>Reimbursement in the event of damage to resident apartment</p> <ol style="list-style-type: none"> 1. Inclusa does not pay security deposits for members living in an RCAC. RCAC is requested to waive the security deposit. If member paid a security deposit prior to enrollment in the MCO, Provider may maintain security deposit in accordance with resident agreement. Member is responsible to provide a pet deposit, if required by facility, and to pay for any damages related to the pet. 2. If the RCAC waives the security deposit for an Inclusa member and the member causes significant damage to the apartment, Inclusa may, under certain circumstances, reimburse the RCAC for damages. 3. Inclusa recommends a facility “move-in checklist” be reviewed by facility and member/resident as to the condition of the apartment at the time of initial occupancy. All defects in the apartment should be noted on the move-in checklist as well as the age of the carpet. A copy of the checklist should be given to the Inclusa team. 4. Inclusa will not reimburse for “normal wear and tear” which may be described as the inevitable aging that occurs in apartments when tenants live there or for other damages or losses for which the tenant cannot reasonably be held responsible under applicable law. For example, routine painting and carpet cleaning when there is no unusual damage caused by tenant abuse would be considered normal wear and tear. 5. Reimbursement may be considered for tenant “damage, waste, or neglect” of the premises. Each situation will be considered on an individual basis by the member’s Inclusa team, Member Support Manager, and Community Resources/Provider Relations (CR/PR) representative. 6. If RCAC believes damage exceeds normal wear and tear, the RCAC must schedule a mutual inspection prior to making any changes in the apartment. The mutual inspection will include, at a minimum, a facility staff person, Inclusa CR/PR representation, and one of the member’s Inclusa team. 7. If Inclusa agrees to fund repairs to the apartment, agreed upon repairs at Inclusa expense will be indicated in writing. The facility must provide quotes to Inclusa CR/PR representative and Inclusa team prior to making repairs. 8. All requests for reimbursement must be made in writing to the member’s Inclusa team within 10 days after the member moves out of the RCAC. 9. If a person living in an RCAC has already paid the security deposit, then enrolls in Inclusa at a later date, Inclusa expects any necessary deductions due to damages must be paid from the security deposit made by the member/tenant. State regulations require that the full deposit must be refunded to the tenant within 21 days of the tenant leaving the premises. If a full refund of the deposit is not made, a written itemized list of deductions must be provided within 21 days to tenant. |
| 4.4 | <p>Planned Termination of Placement</p> <p>A written 30-day notice is required by the MCO/member or RCAC provider (whoever is initiating the termination) to terminate a placement. Payment will be made up to, but not including the date of the member’s move out of the home. Failure by provider/MCO to meet 30-day notice requirement may result in a financial penalty up to, but not exceeding the number of days left in provider/MCO’s 30-day service commitment, unless an earlier date is mutually agreed upon by both parties.</p> <p>Unplanned Termination of Placement</p> <p>When an unplanned termination is due to reasons involving health and/or safety concerns a 30-day notice may not be required. The residential provider will coordinate an appropriate discharge plan</p> |

| | |
|------------|---|
| | <p>with the IDT. Payment will be made up to, but not including the date of the member’s move out of the facility.</p> <p>If the unplanned termination is due to disenrollment of a member, 30-day notice would not be required. Disenrollment includes death, incarceration, loss of financial/function eligibility, failure of member to pay cost share, move to an IMD, and/or move out of the MCO service area, voluntary or otherwise determined by MCO. Payment would be made up to the last day of enrollment, but does not include the date of disenrollment.</p> |
| 4.5 | <p>Member absence from residential care</p> <p>Residential providers are required to complete a member absence notification form if a member will temporarily be gone from a facility. Providers would coordinate with the IDT regarding reimbursement during this period.</p> <p>This would not include visits with family, vacations, or camp attendance that is less than 14 calendar days. Providers would continue to receive regular care and supervision and room and board payment in these situations.</p> |
